SUBJECT : Accelerated Service Test Charts

1. The attached charts represent the preliminary ideas for maintaining cognizance of the accelerated test program. Certainly, these charts do not depict finalized thinking, nor do they reflect the necessary bookkeeping required to maintain such charts.

2. Copies of these attachments are being sent to the Chief, Technical Advisory Staff and the DDCI offices of primary test interest for their critique. It is intended that their comments will be compiled into a more definitive set. The constructive criticism of all interested parties is solicited.
